If you haven't heard about Digger Drive, here's a short blurb: "Digger Drive is a Safe Ride Program designed to be a free, non-judgmental service for Mines students that require a ride home under circumstances where their planned mode of transportation is compromised."

3. There's a waiver to use Digger Drive. Select the option which best represents why you haven't filled it out yet.

- It's too hard to find
- It's too complicated
- I didn't know about it or Digger Drive
- I don't plan on using the service
- I keep forgetting but I want to
- I have! I'm ready to ride

3. There's a waiver to use Digger Drive. Select the option which best represents why you haven't filled it out yet.
